SPECIAL ATTENTION

This is a **CONDOMINIUM PROJECT**, not a subdivision. It does not involve the sale of individual subdivided lots. Where land area beneath and immediately appurtenant to each apartment is designated a **LIMITED COMMON ELEMENT** it is not a legally subdivided lot. Dotted lines on the Condominium Map bounding the designated number of square feet in each limited common element land area are for illustrative purposes only and should not be construed to be the property lines of legally subdivided lots.

This public report does not constitute approval of the Project by the Real Estate Commission, or any other government agency, nor does it ensure that all applicable County codes, ordinances and subdivision requirements have been complied with.

1. There are County restrictions on the number of residential dwellings, or other structures, which may be built on the property which is zoned Agricultural. Therefore, unless the Purchaser is buying an existing residential dwelling, THERE IS NO ASSURANCE THAT THE PURCHASER WILL BE ABLE TO BUILD A RESIDENTIAL DWELLING ON THE PROPERTY. THERE IS ALSO NO ASSURANCE THAT THE PURCHASER WILL BE ABLE TO CONVERT AN EXISTING NON-RESIDENTIAL STRUCTURE TO A RESIDENTIAL USE. The Purchaser should consult with the appropriate County agencies, architect, engineer and/or other professionals to determine whether the Purchaser may build a residential dwelling, or any other type of structure, on the property. Apartment A is an existing farm dwelling containing 931 square feet of net living area and a garage and tractor/farm storage consisting of 819 square feet (non-habitable), and Apartment B is an existing accessory building containing 80 square feet of net area.

2. Facilities and improvements normally associated with county approved subdivisions, such as fire protection devices, County street lighting, electricity, ungraded water facilities, improved access for owner and emergency traffic, drainage facilities, etc., may not necessarily be provided for, and services such as County street maintenance and trash collection will not be available for interior roads and driveways.

3. This condominium project is part of the Mahanalua Nui Subdivision, Phase IV. Purchaser should carefully review the Amended and Restated Declaration of Covenants, Conditions and Restrictions dated July 13, 1999, and recorded as Document No. 99-114891, as further amended by instruments dated February 25, 2003, recorded as Document No. 2003-038050, dated November 9, 2004, recorded as Document No. 2004-231124, and dated March 16, 2005, recorded as Document No. 2005-060479, and other documents related to said subdivision.

4. Under the current zoning ordinance only one full size farm dwelling and one farm dwelling with a living area of 1,000 square feet or less are permitted. Apartment A is designated as the apartment which is subject to the 1,000 square feet limitation. THE PROSPECTIVE PURCHASER IS CAUTIONED TO CONSULT WITH HIS OR HER LEGAL COUNSEL CONCERNING THE REQUIREMENTS OF A FARM DWELLING AND THE PERMITTED USES OF THE LAND AND DWELLING IN THE AGRICULTURAL ZONE.

THE PROSPECTIVE PURCHASER IS CAUTIONED TO CAREFULLY REVIEW THE CONDOMINIUM DOCUMENTS REFERENCED IN THIS PUBLIC REPORT FOR FURTHER INFORMATION WITH REGARD TO THE FOREGOING.

General Information On Condominiums

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium apartment owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

Operation of the Condominium Project

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the developer will effectively control the affairs of the Association. It is frequently necessary for the developer to do so during the early stages of development and the developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

II. CREATION OF THE CONDOMINIUM; CONDOMINIUM DOCUMENTS

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

	<u>Conforming</u>	<u>Non-Conforming</u>	<u>Illegal</u>
Uses	All		
Structures	All		
Lot	Yes		

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

D. Common Elements, Limited Common Elements, Common Interest:

1. Common Elements: Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:

- ☒ described in Exhibit A
- ☐ as follows:

It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:

☐ described in Exhibit _____.

☒ as follows: The Project consists of only two apartments.

To assure a fair balance in association management, common interest is allocated equally between the two apartments. Each Apartment shall have appurtenant thereto an equal undivided **50%** interest in the common elements of the Project.

For purposes of determining the proportionate ownership of the land appurtenant to each apartment as tenants in common in the event of condemnation of all or a portion of the land or in the event of termination of the condominium, such allocations shall be made in the following percentages:

TWENTY-EIGHT PERCENT (28%) appurtenant to Apartment A; and
SEVENTY-TWO PERCENT (72%) appurtenant to Apartment B.

- E. Encumbrances Against Title: An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit C describes the encumbrances against the title contained in the title report dated November 2, 2006, and issued by Title Guaranty of Hawaii, Inc.

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

[] There are no blanket liens affecting title to the individual apartments.

[✖] There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the developer conveys the apartment to a buyer. The buyer's interest will be affected if the developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

<u>Type of Lien</u>	<u>Effect on Buyer's Interest and Deposit if Developer Defaults or Lien is Foreclosed Prior to Conveyance</u>
Mortgage dated November 7, 2005, in favor of Countrywide Home Loans, Inc., recorded as Document No. 2005-231346 in the initial amount of \$1,352,365.00	Mortgage will be released prior to conveyance of any apartment to Buyer. If any said lien is foreclosed prior to conveyance to Buyer all of Buyer's deposits will be refunded immediately by escrow.

F. Construction Warranties:

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

1. Building and Other Improvements:

WARRANTIES OFFERED BY THE CONTRACTOR AND/OR BUILDER OF EACH APARTMENT, IF ANY.

NO OTHER WARRANTIES ARE OFFERED.

2. Appliances:

Summary of Developer's plans or right to perform for future development (such as additions, mergers or phasing):

IV. CONDOMINIUM MANAGEMENT

- A. **Management of the Common Elements:** The Association of Apartment Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.

Initial Condominium Managing Agent: When the developer or the developer's affiliate is the initial condominium managing agent, the management contract must have a term of one year or less and the parties must be able to terminate the contract on notice of 60 days or less.

The initial condominium managing agent for this project, named on page five (5) of this report, is:

☐ not affiliated with the Developer ☐ the Developer or Developer's affiliate
☒ self-managed by the Association of Apartment Owners ☐ Other: _____

- B. **Estimate of Initial Maintenance Fees:**

The Association will make assessments against your apartment to provide funds for the operation and maintenance of the condominium project. If you are delinquent in paying the assessments, a lien may be placed on your apartment and the apartment may be sold through a foreclosure proceeding.

Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.

Exhibit D contains a schedule of estimated initial maintenance fees and maintenance fee disbursements (subject to change).

- C. **Utility Charges for Apartments:**

Each apartment will be billed separately for utilities except for the following checked utilities which are included in the maintenance fees:

☒ None ☐ Electricity (☐ Common Elements only ☐ Common Elements & Apartments)
☐ Gas (☐ Common Elements only ☐ Common Elements & Apartments)
☐ Water ☐ Sewer ☐ Television Cable

C. **Additional Information Not Covered Above**

1. **Limitations.** Attention is drawn to the fact that, under Maui County zoning and building codes, only one full size farm dwelling and one farm dwelling with a living area of 1,000 square feet or less are permitted. Apartment A is designated as the apartment which is subject to the 1,000 square feet limitation, and may not be expanded unless (i) the owner(s) of Apartment B gives his or her or their prior written consent; or (ii) a dwelling with a larger area may be constructed under applicable zoning and building codes and laws without adversely affecting the ability of Apartment B to build or remodel; or (iii) Apartment A exceeding 1,000 square feet of living area is maintained, repaired or replaced as a permitted "non-conforming" use or structure under the applicable zoning and building codes and laws. THE PROSPECTIVE PURCHASER IS CAUTIONED TO CONSULT WITH HIS OR HER LEGAL COUNSEL CONCERNING THE REQUIREMENTS OF A FARM DWELLING AND THE PERMITTED USES OF THE LAND AND DWELLING IN THE AGRICULTURAL ZONE.
2. **Water Meters.** The condominium is served by a dual water system owned by the Mahanalua Nui Homeowners Association, Inc., a Hawaii nonprofit corporation. Said system will provide potable (drinking) and non-potable (irrigation) water. Currently there is only one water meter for potable water and one for non-potable water serving Apartment A exclusively. There currently is no water service to Apartment "B." Apartment B will be responsible for obtaining, installing, maintaining and replacing any water service to its apartment. In the event Apartment B is unable to obtain a separate water meter, each apartment and limited common element shall be entitled to an equitable and proportionate share of the water provided by the single water meter, equal to that apartment's usage units in relation to the number of usage units of both Apartments A and B in the aggregate. Actual use by each apartment shall be determined by a sub-meter installed and maintained by the Association of Apartment Owners to measure actual use by each apartment, and each apartment shall pay a portion of the charges based on actual use. No apartment or water use shall be expanded or increased by an owner to exceed the available water capacity without that owner obtaining an additional meter at said owner's expense. At such time each apartment has a separate water meter, each apartment owner shall pay for water separately as determined and billed by the Mahanalua Nui Homeowners Association.
3. **Water System.** The potable and non-potable water systems serving Mahanalua Nui may be subject to interruptions and cessations in service, changes in water quality or water quantity, and other problems which may occur in the operation of private water systems. The non-potable water provided by Launiupoko Irrigation Co., LLC is for irrigation purposes and is not suitable for drinking or domestic use. Such water is provided from surface water sources and may contain bacteria which is extremely hazardous to health. The apartment owner accepting non-potable water service is instructed to warn family, guests, tenants, visitors and successors in title of these risks and the unsuitability of the water for human consumption or domestic use. Neither Launiupoko Associates, LLC, nor the provider of non-potable water service shall be responsible if for any reason the source of non-potable water is withdrawn from use. The control of surface waters in the State of Hawaii is vested in the State of Hawaii Water Resources Commission. The right of the use of said sources for irrigating Mahanalua Nui (and other developed areas served by it) has been challenged by certain parties.
4. **Water Limits and Fire Protection.** By legal contract with Pioneer Mill Company, Limited, a Hawaii corporation, the maximum allowable consumption of water may require some limits. For the size of the condominium property, limits will not be less than 2,500 gallons per day or 75,000 gallons per month. While Declarant believes that such capacity is sufficient for normal and reasonable use by each apartment, there are no guarantees. Because water to the condominium is not served by County of Maui, there is no assurance that the water supply will be sufficient for fire protection.

C. Additional Information Not Covered Above (continued)

5. Sewer. Each apartment shall have its own on-site private septic system within its limited common element. The owner of each apartment shall be responsible for operating, maintaining, repairing and replacing its own on-site private septic system, which shall comply with all applicable laws, rules and regulations. Each septic system must comply with design standards and approval requirements of the State of Hawaii Department of Health. The location of the septic system appurtenant to Apartment A only is shown on the site plan of the Condominium Map. No representations or warranties are made as to the quality, useful life, replacement cost, operating cost, or maintenance cost of the septic system and appurtenances. County sewer service is not available.
6. Mailboxes. Each apartment shall have its own separate mailbox.
7. Mahanalua Nui Subdivision Homeowners Association. The land upon which the condominium project is located (Lot 19) is part of The Mahanalua Nui Subdivision, Phase IV. The Mahanalua Nui Subdivision has been registered with the State of Hawaii Department of Commerce and Consumer Affairs under Hawaii Revised Statutes Chapter 484, and a Public Offering Statement for the subdivision has been issued. IT IS RECOMMENDED THAT THE BUYER OF EACH CONDOMINIUM UNIT OBTAIN A COPY OF THE MOST RECENT PUBLIC OFFERING STATEMENT AND THE DECLARATION OF COVENANTS, CONDITIONS AND RESTRICTIONS FOR THE SUBDIVISION. THE STATEMENT AND DECLARATION CONTAIN MANY IMPORTANT DESCRIPTIONS ABOUT THE SUBDIVISION AS A WHOLE, AS WELL AS THE OPERATIONS AND MANAGEMENT OF THE HOMEOWNERS ASSOCIATION, ITS BUDGETS AND RESERVES.

The owner of Lot 19 is a member of the Mahanalua Nui Homeowners Association, Inc., a Hawaii nonprofit corporation, which is the association formed for the Mahanalua Nui Subdivision as a whole for the purpose of holding, maintaining, operating and managing, as a common expense, all of the common areas and facilities of the subdivision. These consist of paved roadways, a drainage system, and archeological recreational sites and trails as easements, and public and private parks.

Roadway Lot B-2 (Kai Hele Ku Street) is a privately owned lot and is not part of the Mahanalua Nui Subdivision which provides access from the Mahanalua Nui Subdivision to the state highway, Honoapiilani Highway. Launiupoko Associates, LLC, the owner of Roadway Lot B-2 has granted the Mahanalua Nui Homeowners Association a non-exclusive easement over the access right of way. The Mahanalua Nui Homeowners Association is responsible for the maintenance of this right of way subject to possible costs sharing with other lots served by this access right of way.

Each apartment owner will be a separate member of said Mahanalua Nui Homeowners Association and will be responsible to pay a share of common expenses assessed to each Lot of the subdivision equal to the share assessed against each other Lot (except for water use charges, which, if managed by the Association, will be assessed on an equitable basis by the Association, in addition to any basic system operating charge equally assessed against all Lots), as provided in said Mahanalua Nui Subdivision Declaration of Covenants, Conditions and Restrictions, as amended.

The Amended and Restated Mahanalua Nui Subdivision Declaration of Covenants, Conditions and Restrictions permits any Lot to be divided into two or more separate parcels, condominium units or other divisions each of which shall be capable of being owned and conveyed in fee simple as a separate and discreet unit of ownership.

C. **Additional Information Not Covered Above (continued)**

8. **Insurance.** Each apartment owner is responsible for insuring the apartment and its contents. The Association may be required to provide additional insurance on the common elements. The cost and ability to obtain appropriate insurance to cover all structures and property from fire, wind flood, liability and other hazards should be researched by a prospective purchaser.
9. **Nuisances.** Most land near the Project is zoned Agricultural, which may increase the risk of noise, dust, emission and other nuisances. Because said Project is part of the Mahanalua Nui Subdivision, the owners of the Project are deemed to have waived claims with respect to said nuisances by neighboring land owners. High voltage power lines exist throughout portions of the area in which the Project exists and may pose a hazard due to strong winds.
10. **Flood Zone.** The property is subject to a 100-year flood inundation limitation. However, the property is currently not insured against flood. Purchaser should consult with the County of Maui regarding any building and use restrictions which may be affected by this limitation.
11. **Agricultural Uses.** The County of Maui Planning Department has recently adopted a strict enforcement policy requiring agricultural-zoned land to be used for only those agricultural uses permitted by HRS Section 205-4.5 and Maui County Code, Chapter 19.30A. Also, farm plans may be required. Dwellings may only be constructed and used as "farm dwellings." **THE PROSPECTIVE PURCHASER IS CAUTIONED TO CONSULT WITH HIS OR HER LEGAL COUNSEL OR THE MAUI COUNTY PLANNING DEPARTMENT CONCERNING THE REQUIREMENTS OF A FARM DWELLING AND THE PERMITTED USES OF THE LAND AND DWELLING IN THE AGRICULTURAL ZONE.**
12. **Zoning and Land Use Violations.** In a condominium, all of the land included in the condominium remains a single, unsubdivided parcel of land for purposes of zoning and land use regulation. If one unit owner violates a regulation, the violation is attributable to both that owner and the innocent owner of each other unit. For example if one owner builds or adds to a structure in a manner which violates height limits, size limits, setbacks, building permit requirements, or flood zone rules, or uses the unit for an unauthorized additional dwelling or short term rental, the violation applies to the entire condominium and the innocent unit owner may be subject to fines or may be denied a building permit as long as the violation remains uncured. **THE PROSPECTIVE PURCHASER IS CAUTIONED TO CONSULT WITH HIS OR HER LEGAL COUNSEL CONCERNING THESE IMPORTANT RISKS.**
13. **Rollback Taxes.** The land may be subject to rollback real property taxes. The failure of an owner to observe restrictions on the use of the land may cancel the County dedication and special real property tax assessment. Please refer to the Director of Finance, County of Maui, for further information.
14. **Agreements/Easements on Records.** The title is encumbered by several agreements and easements described on Exhibit C. **THE PROSPECTIVE PURCHASER SHOULD CONSULT WITH HIS OR HER LEGAL COUNSEL FOR ADDITIONAL INFORMATION.**

- D. The developer declares subject to the penalties set forth in section 514A-49(b) that this project is in compliance with all county zoning and building ordinances and codes, and all other county permitting requirements applicable to the project, pursuant to Act 251 (SLH 2000) [Section 514A-1.6] (The developer is required to make this declaration for issuance of an effective date for a final public report.)
- E. The developer hereby certifies that all the information contained in this Report and the Exhibits attached to this Report and all documents to be furnished by the developer to buyers concerning the project have been reviewed by the developer and are, to the best of the developer's knowledge, information and belief, true, correct and complete.

The amendment shall be signed and approved by the owners (and their respective mortgagees if any) delivered to the Board of Directors prior to recordation. The amendment shall be effective only upon the recording of the same in the Bureau of Conveyances. All costs and expenses associated with such amendment, including, but not limited to, attorneys fees, architect/engineering fees and recording costs shall be borne by the owner(s) requesting such amendment.

(b) Mail Boxes. A separate receptacle for delivery of mail ("mail box") shall be designated for each apartment within the Project, which mailbox is a limited common element appurtenant to each apartment. The mailbox designation shall be the same as each apartment. Summary of Escrow Agreement

An escrow agreement provides the terms under which the deposits by a buyer pursuant to a sales contract between the Developer as seller and any prospective buyer will be held and disbursed by a neutral party ("Escrow").

Some of the standard terms and conditions of the Escrow Agreement are summarized briefly below. Complete terms and provisions are contained in the Escrow Agreement itself, and in the event of any question of interpretation, or conflict between the terms of the Agreement and of this summary, the terms of the Agreement shall apply.

1. SALES CONTRACTS AND PAYMENTS. Seller/Developer will have each Buyer sign a sales contract and deliver it to Escrow together with Buyer's first deposit against the purchase price. Buyer will make all other payments of the purchase price required in the sales contract to Escrow.

2. COLLECTION NOTICES. Escrow will inform Buyer of any further payments and when they are due under the sales contract.

3. REFUNDS. Escrow will make any refunds as directed by Seller and Buyer in writing as determined by the sales contract, subject to any deduction by Escrow of "cancellation fees" as permitted by the sales contract and the Condominium Law, unless the terms of the Escrow Agreement or Seller instructed otherwise.

4. DEFAULT. The Escrow Agreement also establishes procedures for the retention and disbursement of the Buyer's funds when a default occurs under the sales contract.

5. CLOSING. Escrow will arrange for the Buyer to sign all necessary documents, and recordation of documents in the appropriate registration system. Escrow will disburse all money that Escrow has received as required by the sales contract.

6. STATUTORY PROVISIONS CONTROL. Anything in the Contract notwithstanding, the provisions of Chapter 514A of the Hawaii Revised Statutes (Condominium Property Act), if in conflict with the Escrow Agreement, shall control.

NOTE: THIS IS INTENDED ONLY AS A BRIEF SUMMARY OF THE ESCROW AGREEMENT. NO PORTION OF THIS SUMMARY IS INTENDED TO MODIFY, WAIVE OR CHANGE ANY PROVISION OF THE ESCROW AGREEMENT ITSELF, AND THIS SUMMARY SHALL NOT CONSTITUTE A PORTION OF OR AN AMENDMENT OR MODIFICATION OF THE AGREEMENT. THE ESCROW AGREEMENT CONTAINS VARIOUS OTHER IMPORTANT PROVISIONS AND ESTABLISHES CERTAIN CHARGES WHICH THE BUYER SHOULD KNOW. THE TERMS OF THE ACTUAL AGREEMENT BETWEEN ESCROW AND THE SELLER/DEVELOPER (AND ONLY THOSE TERMS) SHALL APPLY.
